

EXPLOITATION

- 1. evFOUNDRY researchers participate in the foundation of EVITA, the Italian Society of Extracellular Vesicles.**
<https://www.evitasociety.org> On October 5th 2018.
Lucia Paolini, Annalisa Radeghieri, Natasa Zarovni and Paolo Bergese. Annalisa Radeghieri is responsible and leader for research activities of EVIta board and organizer of the 1st EVIta symposium (6-9th October 2019, Palermo, Italy).
- 2. Mini-workshop on Extracellular Vesicles: from biophysical properties to therapeutic applications.**
Area Science Park Padriciano, Apr 11th 2019. Organized by EXOTHERA project (Interreg Italia-Osterreich European Regional Development Fund grant).
Invited: Lucia Paolini
- 3. "National societies and networks meeting" of the International Society of Extracellular Vesicles (ISEV) board**
ISEV2019 annual meeting. 24-28 April 2019, Kyoto (Japan).
- 4. Towards an innovation hub on extracellular vesicles research**
Consiglio Nazionale delle Ricerche, Area della Ricerca di Milano, Via Alfonso Corti 12, MILANO Auditorium
May 9th, 2019. Organized by INDEX (<http://www.indexproject.eu>) and IdrogEx project (Regione Lombardia grant).
Invited: Natasa Zarovni, Paolo Bergese
- 5. Participation of 2 evFOUNDRY members at the 1st annual meeting in Danish Society for EVs (DSEV) the 3 October 2019, Aarhus (Denmark).**
Peter Nejsum and Anne Borup are on the board of DSEV and part of the organizing team of the annual meeting of DSEV
- 6. Clustering event for extracellular vesicle FET-open projects**
Palermo, Nov 6th 2019.
Organized by evFOUNDRY, in collaboration with INDEX (<http://www.indexproject.eu>) and VES4US (<https://ves4us.eu/project>)
- 7. 1st EVIta Symposium 6-8 November 2019, Palermo, (Italy):**
Responsible and leader for research activities of EVIta board and organizer of the EVIta symposium - Annalisa Radeghieri.
- 8. Netherlands Society for Extracellular Vesicles (NLSEV) 8 November 2019, Utrecht.** Marca Wauben part of the executive board.

9. **ISEV Workshop: Open, Reproducible and Standardized EVResearch**, 2-3 December 2019, Ghent, Belgium. Annalisa Radeghieri.
10. **Workshop on Future Topics for EIC Pathfinder**, 29 and 30 January 2020, Brussels. Paolo Bergese.
11. **Key Exploitable Result (KER)** with relevance to COVID-19 from our Utrecht University partner on EU participant portal May 2020
<https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/opportunities/horizon-results-platform/23443>
12. **Participation in the frame of the Future Tech Week**, 22 September 2020. Paolo Bergese "Voices from the future: Pathfinder stories, people, visions"
13. **Special issue** "Biogenic, hybrid and synthetic vesicles" Biochimica et Biophysica Acta (BBA)-General Subjects, November 2020. Paolo Bergese, Costanza Montis.
<https://www.sciencedirect.com/science/article/pii/S0304416520302907>
14. **Direction of the ISEV Milk Task Force**. Marca Wauben and Martijn van Herwijnen. <https://www.isev.org/page/MilkTaskForce>
15. **Key Exploitable Result (KER)** with relevance to COVID-19 from our CSGI partner on EU participant portal July 2021.
<https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/opportunities/horizon-results-platform/34270>
16. **evFOUNDRY project presented at 2nd EVIta symposium** during the pre-meeting session "Showcase of International collaborative projects and networks on Extracellular Vesicles". Lucia Paolini
17. **Participation at VALORTECH summer school 2021**, 28-30 September 2021. Francesca Loria attended the Summer School "Valorization of Food Industry Wastes and By-products" held by the VALORTECH ERA Chair at the University of Life Sciences, Estonia
<https://www.valortechevents.com/>
18. **ISEV workshop massivEVs on massive production of EVs**. 28-29 October 2021, Desenzano del Garda, Italy. Organization of the workshop in collaboration with VES4US project. Lucia Paolini, Annalisa Radeghieri, Marca Wauben, Peter Nejsun, Paolo Bergese
